1 DAY TEAM BUILDING WORKSHOP

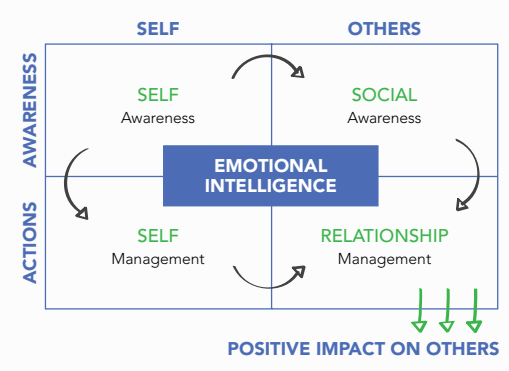

TEAM BUILDING WITH DISC Profile

A team's unity stems from the common goals its members accept, but its potential to achieve those goals depends on their ability to work together and understand each other.

Using DISC® Profile as a learning tool, this team building workshop motivates teams to work towards high performance and cohesion.

Legend: A – K indicates respective team members' natural and adapted styles.

1 DAY TEAM BUILDING WORKSHOP

TEAM BUILDING WITH EMOTIONAL INTELLIGENCE

It's not enough to recruit a team of people who are technically skilled. To succeed, individuals must understand and value the importance of team dynamics.

This workshop is designed to help teams in trouble or facing challenges to work towards better team synergy by improving individual and team performance.
